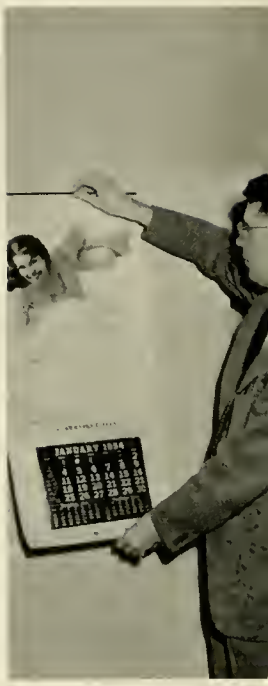
foreword

Why a theme? We asked ourselves this question and answered that we thought a theme too disconnected with our college history and memories to be deserving of use as a basis of a story running through these pages. Instead, we have embodied the college, its phase of life, and the various training it offers into a composite art motif. If it be termed a theme, let it be termed a theme of the progress of this school. We sincerely hope our purpose to present something new and different has been achieved. It shall have been if in passing years this volume brings you memories of friends . . . of trials and triumph . . . of life—at North Carolina State . . .



dedication

to dean banks talley,
a wise counselor, a true friend,
and a man who stands ever ready
to aid those who call upon him,
we humbly dedicate this 1954 agromeck.
his diligent labor and supreme interest
in state college have won him a place in our hearts •

school of design

The School of Design is devoted to the development of organic architecture and the related arts to meet the needs and conditions of the southern region.

Since it is the only Department of Architecture in the State and the only Department of Landscape Architecture in the region, the opportunities are unlimited for the school's graduates to contribute to the solution of problems in building design, planning and general construction.

school of agriculture

Agriculture is basic to North Carolina's whole economy. Today changes are taking place in the state's agriculture which will have a profound effect on the lives of all our people.

The School of Agriculture is attuned to the training of men to meet these new changes in the various fields of agricultural sciences. Various curricula have been developed which will enable students to select the field of work in which they are most interested and best qualified to serve.

school of engineering

The School of Engineering offers technical and engineering instruction to meet the needs of the people of North Carolina.

In keeping with the rapid development in North Carolina, the School of Engineering is an effective contributor through its modern educational program and research activities. The school's curricula and outstanding research department provide educational facilities for students who seek an opportunity to be a part of the industrial and scientific growth of the state.

school of textiles

Continuous development of new fibers, new fabrics, new processes, and equipment has made the textile industry not only the second largest, but also one of the most colorful, most fascinating, and most dynamic in our economic life.

With new and improved technology in the Textile Industry, there comes a demand for men with technical training to meet and solve its problems. It is the main objective of the School of Textiles to provide the training in Textiles which, coupled with practical experience following graduation, equips young men to assume positions of real responsibility in the industry.

school of education

The School of Education offers the training required to attain a teacher's certificate in Mathematics and Science, Vocational Agriculture, Industrial Arts, and Industrial Education. The curriculum in each of these departments is designed to aid prospective teachers in acquiring an understanding of high school students and in selecting and using acceptable teaching methods. The School also provides undergraduate training for recreation leaders in industrial and rural areas.

school of general education

We feel we are training leaders for great responsibilities. As the problems which they must solve will never be free of economic, social and cultural implications, so must their education combine the humanities and social sciences with their technical studies.

In cooperation with the various schools of the college, the School of General Studies has planned its program for all students with the conviction that familiarity with the humanities and social sciences must coincide with thorough technical training to provide the background for responsible citizenship and for intelligent leadership.

school of forestry

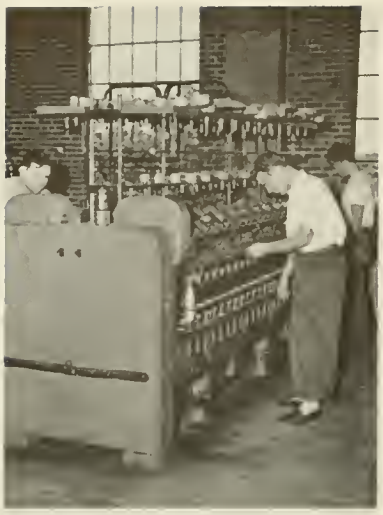
The growing demand for forest products, coupled with the progressive development of the forests, has brought a rapid increase in the demands for trained foresters. Forests are one of the most important and fundamental resources of the Southeast. Wood products industries rank second to textiles as a source of employment in manufacturing.

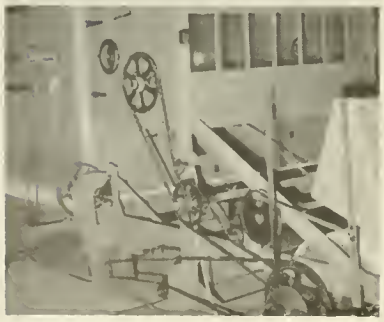
The School of Forestry offers undergraduate and graduate instruction in the fields of forest management, wood technology, pulp technology, and lumber products merchandising.

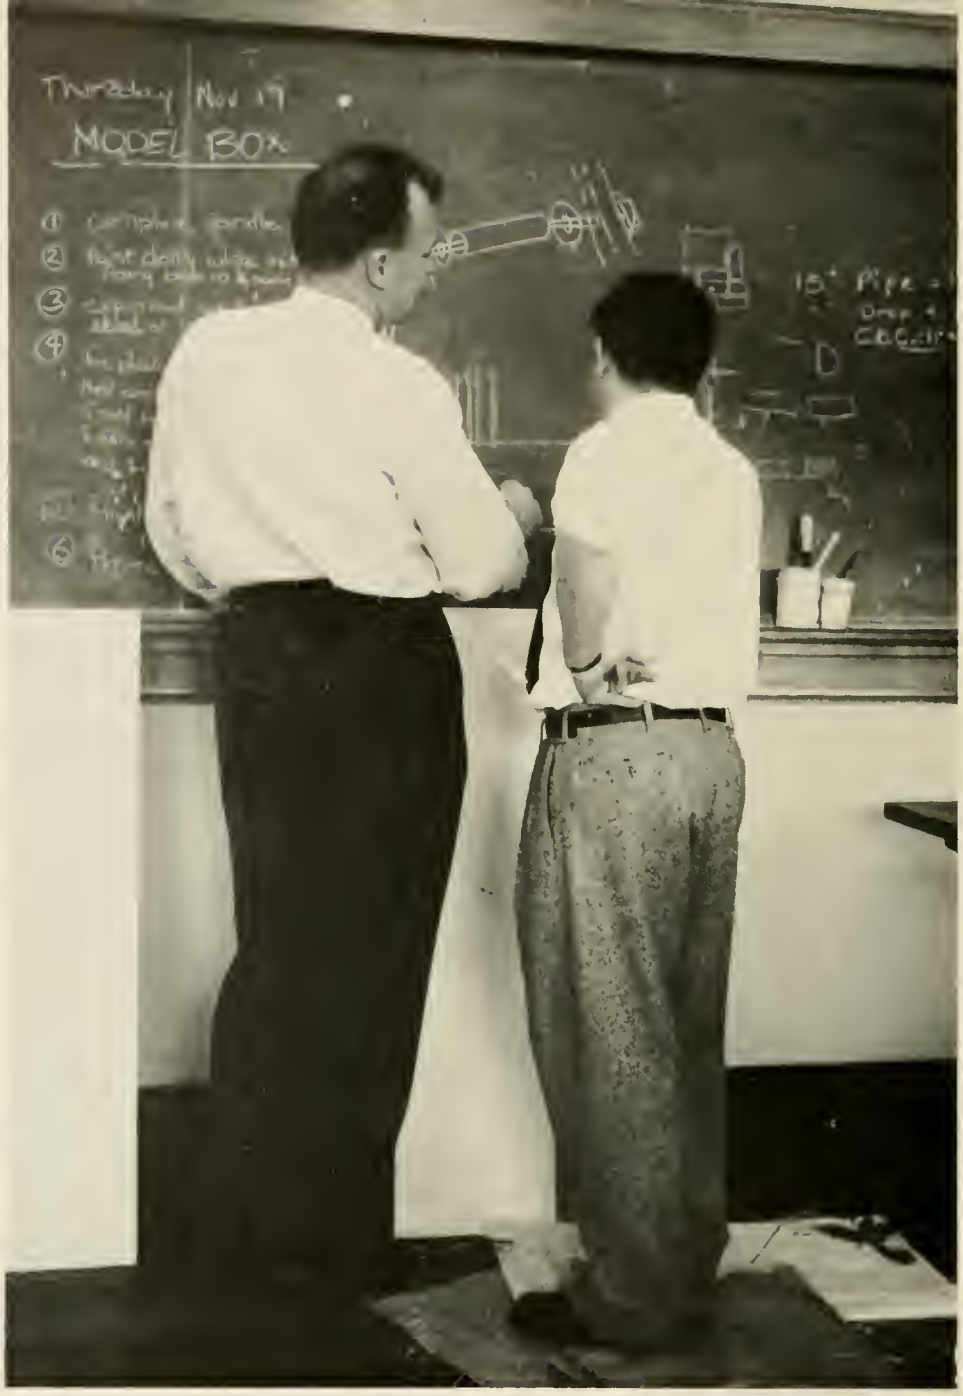
graduate division

The Graduate Division provides graduate training in the sciences and technologies of Agriculture, Engineering, Textiles, and Vocational Teacher Training. Graduate students have the advantages offered by the Agriculture Experiment Station, the Engineering Experiment Station, and the Research Laboratories of the Textile School, in addition to the regular laboratories used for instruction.

Individually developed courses of study lead to the degrees of Master of Science and Doctor of Philosophy.





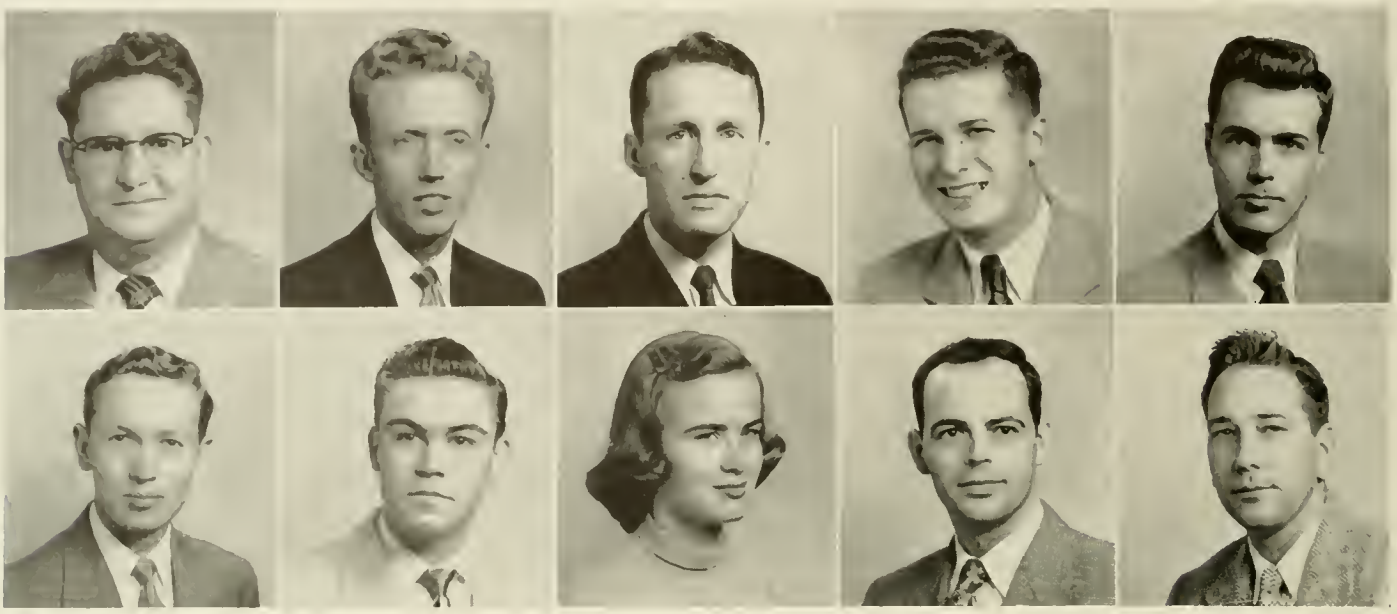


graduate, professional

and undergraduate

classes

MORRIS WILBURN ALEXANDER; Westminster, S. C.; Agronomy • NEAL PATTERSON ALEXANDER; ΣΧ; Charlotte, N. C.; Mech. Engr., Tau Beta Pi • JAY LAWRENCE APPLE; Raleigh, N. C.; Plant Pathology, Phi Kappa Phi, Intramural Athletics. • ROBERT CHARLES BATES; Niagara Falls, N. Y.; Elec. Engr. • THOMAS EDWARD BATES; Guelph, Ontario, Canada; Agronomy.



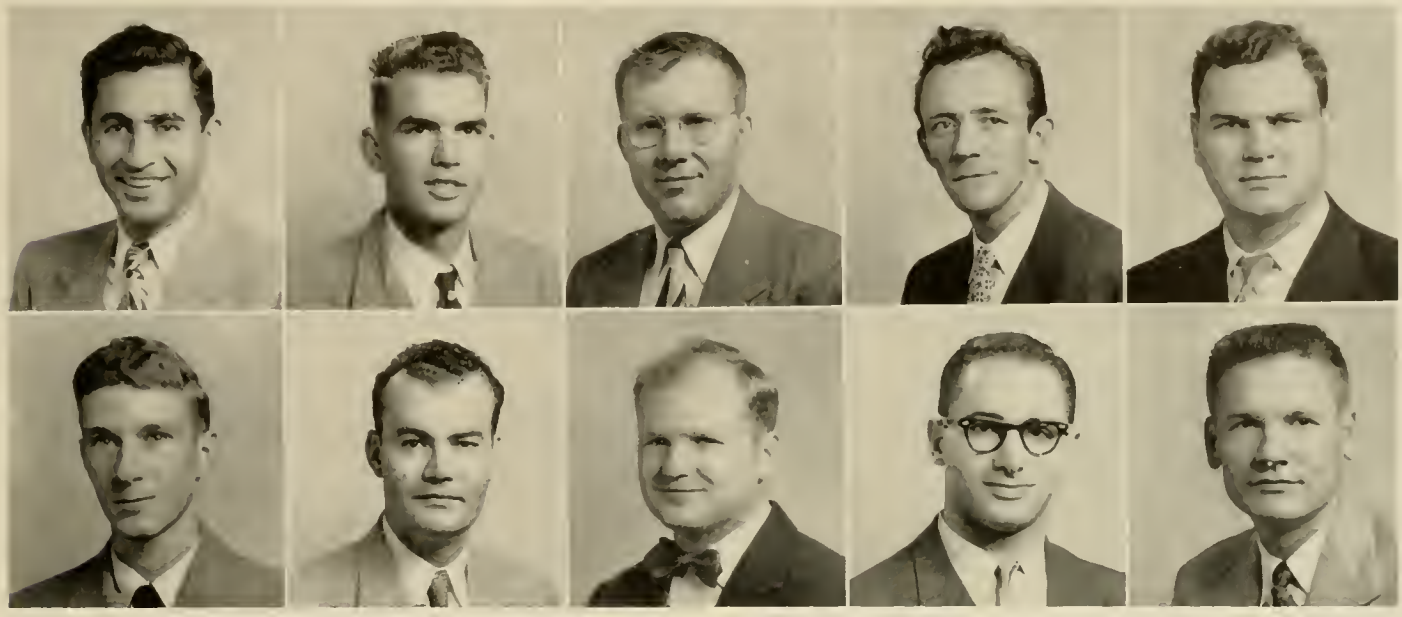
PAUL TUNNEY BLIZZARD; Deep Run, N. C.; Ag. Education • ROBERT McCALL BRINKLEY; F.H.; Marion, N. C.; Agronomy, Alpha Zeta; Crops & Soils, Editor (4); A.S.A. • EMILY CATHERINE BROWN; ΔΔΔ; Wilmington, N. C.; Civil Engr.; A.S.C.E.; Engineers' Council; Cheerleader. • ROBERT HOWELL BRYAN; Watertown, Tenn.; Nuclear Engr., Phi Kappa Phi. • WILLIAM LAWRENCE BRYANT; Stedman, N. C.; Ag. Education

graduate students

WILLIAM RANSON CAMPBELL, JR.; Carrboro, N. C.; Architecture; A.I.A.; Departmental Honor Council; Design Magazine Staff • THOMAS FRANKLIN CANNON; Canton, N. C.; Horticulture, Horticulture Club. • BORISAS CIMBLERIS; Sao Paulo, Brazil, South America; Nuclear Engr. • ROBERT HEWETT CLARK; Linwood, N. C.; Nuclear Engr.; Sigma Pi Sigma, A.I.P.; I.R.E. • CHARLES WILLIAM COGGINS, JR.; Crouse, N. C.; Agronomy

FORREST WINFIELD COILE, JR.; Hilton Village, Va.; Architecture, A.I.A. Vice-President, Design School Student Publications, Editor • LELA H. COLTRANE; Raleigh, N. C.; Mech. Engr. • NICHOLAS C. COSTES; Athens, Greece; Civil Engr.; Phi Kappa Phi, Cosmopolitan Club; A.S.C.E. • DONALD FRANKLIN CROSSAN; Raleigh, N. C.; Plant Pathology • WILLIAM LEWIS CROUSE; Raleigh, N. C.; Architecture, A.I.A., Campus Government

KARL A. DABBAGH; Koy Sanjak, Iraq; Plant Pathology • **JAMES CLAYTON DAVIS; Bryson City, N. C.;** Agronomy • **MELVIN ARTHUR DEWAR; Anacostes, Wash.;** Nuclear Engr.; Phi Kappa Phi; Tau Beta Pi; Gamma Sigma Epsilon • **WARREN EMMETT DUNGAN; Raleigh, N. C.;** Nuclear Engr.; Phi Eta Sigma; Tau Beta Pi; Phi Kappa Phi; Sigma Pi Sigma, Treasurer; Companion of St. Patrick; Institute of Physics, American Ceramic Society, Intramural Athletics. • **CLIFFORD THURMAN FOSTER, JR.; ΦΚΤ; Burlington, N. C.;** Chem. Engr.; Tau Beta Pi; Gamma Sigma Epsilon; American Institute of Chemical Engineers.



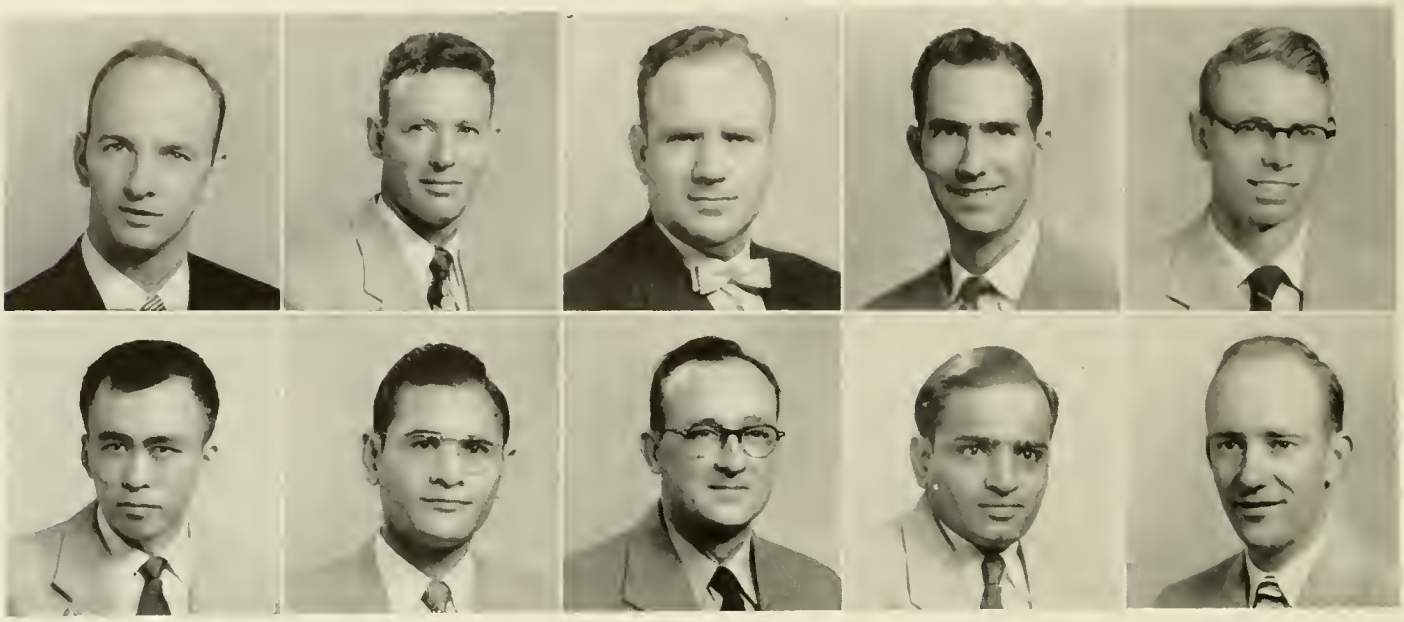
JOHN BOYTE FRAZIER; ΑΧΑ; Raleigh, N. C.; Landscape Architecture, Keramos, Landscape Architectural Club; Redcoat Band, Concert Band, State College Symphony Orchestra. • **JOHN FREDERICK FULKERSON; Raleigh, N. C.;** Plant Pathology • **COSWELL ELLIS GERRALD; Lumberton, N. C.;** Architecture; A.I.A. • **HUBERT SALIM GHOSN; Alexandria, Egypt;** Textile Chemistry; Delta Kappa Phi; Sigma Tau Sigma, Phi Kappa Phi; Alpha Zeta; A.A.T.C.C.; Cosmopolitan Club, President. • **JOHN HAYNES GREGORY; Franklin, N. C.;** Animal Industry.

graduate students

GEORGE RICHARD GWYNN; Yanceyville, N. C.; Agronomy • **FAWZI HABIB; Minia, Egypt;** Ag. Econ.; Ag. Club. • **ALVIN H. HEIMBUCH; Raleigh, N. C.;** Dairy Manufacturing; American Chemical Society. • **LARS STIG HELLDEN; Vejle, Denmark;** Textiles. • **ALVIN WILKINS JENKINS, JR.; Raleigh, N. C.;** Elec. Engr.; Phi Kappa Phi; Eta Kappa Nu; Tau Beta Pi.

JEAN MacKENZIE JENKINS, Norfolk, Va.; Architecture • **RALPH LEWIS KNOWLES; Cleveland, Ohio;** Architecture • **HAROLD AUGUSTUS LAMONDS; ΦΔΘ; Greensboro, N. C.;** Nuclear Engr.; Tau Beta Pi; Sigma Pi Sigma; Physics Club; American Institute of Physics • **INGUAR AXEL LINDSTROM; Lulea, Sweden;** Ag. Econ. • **MILTON ALAN MADISON; ΣΑΜ; Flushing, N. Y.;** Textiles; Delta Kappa Phi; Scabbard & Blade; Sigma Tau Sigma

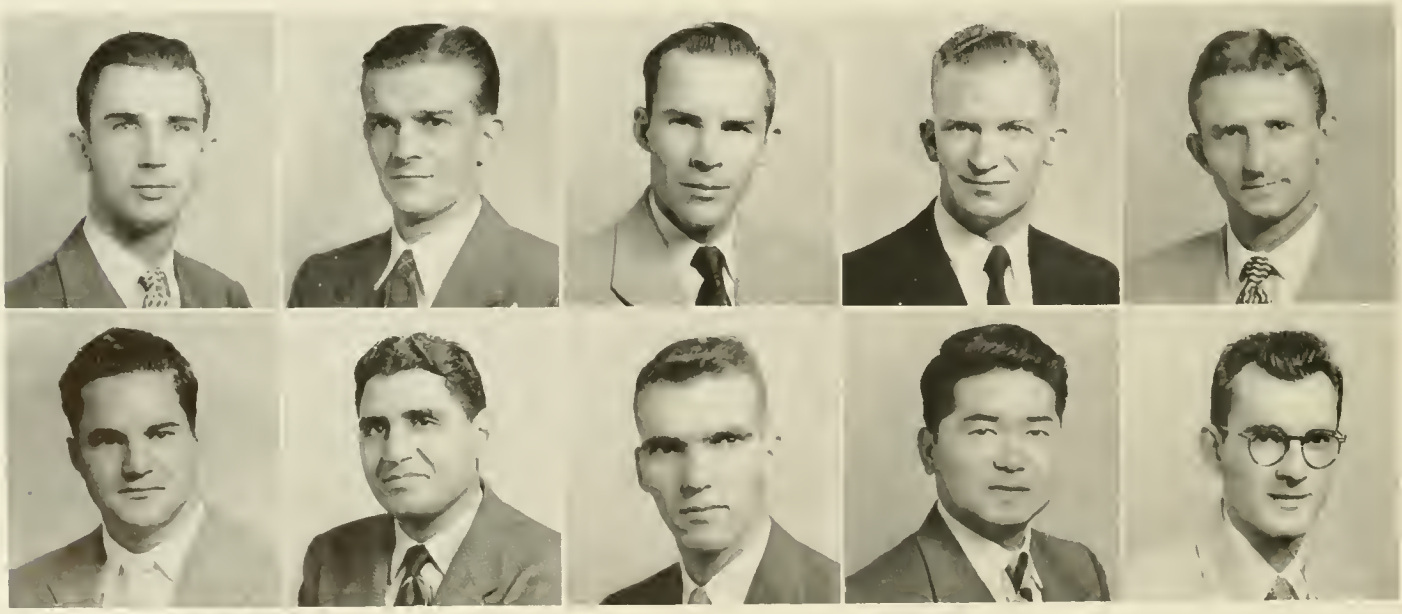
CHARLES RHEA MARTEL; Magnolia, Ark.; Nuclear Engr., Sigma Pi Sigma, American Institute of Physics; Tau Beta Pi, Omicron Delta Kappa; Wesley Foundation, President (4) • **AUBRA CLINTON MATHERS; Bakersfield, Mo.;** Agronomy; Pi Mu Epsilon; Gamma Sigma Delta • **WHITTIE J. McCOOL; Kannapolis, N. C.;** Nuclear Engr., A.I.P., Sigma Pi Sigma, A.C.S. • **WILLIAM ALFRED McDONALD; Candor, N. C.;** Mech. Engr.; Tau Beta Pi, Pi Tau Sigma; A.S.M.E. • **JOSEPH LEWIS MICHAL, JR.; Waynesville, N. C.;** Mech. Engr., Pi Tau Sigma, Tau Beta Pi; A.S.M.E., I.V.C.E.; Canterbury Club; Choir; Glee Club



MORRIS KIKUJI NAKAYAMA; Honolulu, T. H.; Architecture, A.I.A., Recording Secretary. • **MAUNG AUNG NYUN; Tavey, Burma;** Agronomy; Cosmopolitan Club. • **GEORGE HORACE OGBURN, JR.; Meridian, Miss.;** Nuclear Engr.; Tau Beta Pi. • **GORDHANBHAI C. PATEL; Raleigh, N. C.;** Ag. Econ. • **JAMES WILLIAM PATTERSON; Franklin, N. C.;** Ag. Industry.

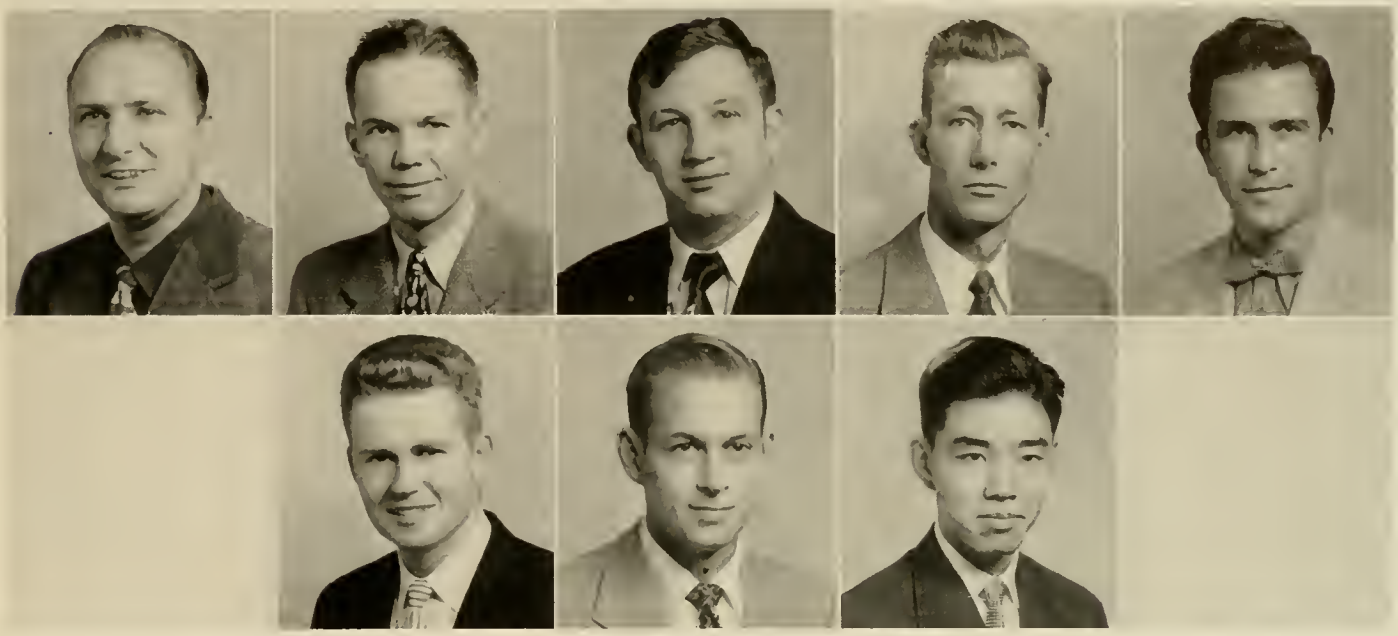
graduate students

CHARLES RAY PUGH; ΑΓΡ; Asheboro, N. C.; Ag. Econ., Alpha Zeta; Phi Eta Sigma; Blue Key; Golden Chain; Alpha Kappa Delta; Ag. Club; Agriculturist; Y.M.C.A., Vice-President (3), President (4). • **GASTON MEARES RANDOLPH; Asheville, N. C.;** Textile Chemistry; Phi Psi; American Association of Textile Colorists. • **EARL ELMER RAY; Burnsville, N. C.;** Animal Industry • **JOHN LEE RAY; Raleigh, N. C.;** Ag. Chemistry; Association for Official Agricultural Chemists; Agricultural Chemists Society; A.I.Ch.E. • **WILLIAM EWALD SANDINE; ΦΓΔ; Des Moines, Iowa;** Dairy Manufacturing.



WILLIAM TALLY SCARBOROUGH; Harrisville, Miss.; Nuclear Engr.; Sigma Pi Sigma; Tau Beta Pi; Blue Key; Pi Kappa Pi; A.I.P.; I.R.E., B.S.U. • **DEV RAJ SHARMA; Kashmir, India;** Textile Chemistry; A.A.T.C.C.; B.S.C. • **HUGH HAROLD SHEPHERD; Salisbury, N. C.;** Ag. Education. • **PAUL SUMIE SHIMAMOTO; Waipahu Oaho, Hawaii;** Architecture; Phi Kappa Phi, Vice-President; Design School Student Publication, Business Manager; A.I.A. • **ROBERT CLINTON SMITH; Raleigh, N. C.;** Nuclear Engr.; Sigma Pi Sigma.

HARRY JOHN SPIES; Raleigh, N. C.; Architecture, A I A.; Agromeck. • RALPH WILLIAM SWANSON; Excelsior, Minn.; Nuclear Engr., Sigma Pi Sigma • BOBBY LEE WATSON; Winston-Salem, N. C.; Ag. Education • ALBERT SIMPSON WILLIAMS; Raleigh, N. C.; Plant Pathology. • GENE TUNNEY WILLIS; Morehead City, N. C.; Architecture; A I A.



SANFORD EUGENE YOUNTS; Lexington, N. C.; Agronomy • RICHARD CHARLES YOW; ΣΦΕ; Raleigh, N. C.; Civil Engr. • CHUAN TAO YU; Raleigh, N. C.; Animal Husbandry.

the golden chain

SENIOR HONORARY

Golden Chain, Senior Honorary Society, was organized in May, 1926. The purpose of the society is to promote better citizenship and leadership on the campus. In May each year, twelve Juniors, considered the outstanding members of their class, are added to the Chain by a tapping ceremony at the Memorial Tower.

Blue Key Honor Fraternity was founded at the University of Florida in October, 1924, to perpetuate belief in God, to preserve the principles of good citizenship, and to promote the best interest of the students.

The fraternity recognizes outstanding qualities in character, scholarship, and service, placing equal emphasis upon leadership in student activities. Membership is composed of graduate and undergraduate students of all departments of American colleges and universities.

Each year Blue Key co-sponsors the Homecoming Celebration and a dance following the Homecoming game. Annually, the fraternity presents the citizenship award to the senior who has distinguished himself as the foremost citizen of his class. In addition, Blue Key cooperates with other campus organizations in various activities to perpetuate a more meaningful campus life.

Mozhfareddin Zolfaghari	Teheran, Iran

The administration of the college military training program is conducted by the Division of Military and Air Science. This Division, headed by the Coordinator of Military Training and the ROTC, is an administrative division of the college under the office of the Chancellor. The Army ROTC and the Air Force ROTC each operates under academic and training programs of instruction set forth by their respective Departments. These programs provided the very best of technical instruction and leadership training for the ROTC student.

The Army ROTC offers a general military science program which this year superseded specialized branch training in the Army ROTC. The Air Force ROTC presents a Generalized Course of Study to all Air Force ROTC students. These curricula are college level in content, scope, intensity, and presentation.

The ROTC programs of Army and Air Force are conducted under the supervision of highly trained and competent staffs of Army and Air Force officers and non-commissioned officers. These programs are designed to stress the development of leadership qualities in the student and to give the student the fundamental training essential for a commission as Second Lieutenant in Army or Air Force, as well as to prepare him for future effective citizenship.

Mrs. Eugene J. Neal, Jr.
Sponsor

The Arnold Air Society is a national organization which honors first and second year advanced Air Force R.O.T.C. students who have shown high character and a sincere interest in the organization and Air Force R.O.T.C.

The purpose of the Arnold Air Society is to develop leadership, maintain Esprit de Carps of the unit, and to advance the military preparedness of our country by increasing the knowledge of the scope and mission of the Air Force.

SCABBARD AND BLADE

G. B. Horvin Jr., Coptain; W. H. Barns, 1st Lt.; A. F. Goodman, 2nd Lt.; C. W. Purser, 1st Sgt.; Anderson, Ball, Baucom, Blalock, Brannon, Carr, Cashwell, Cone, Congleton, Cooley, Cooper, Crotts, Daughtry, Dickens, Eller, Falbaum, Finley, Fulp, Dale Gregg, John Gregg, Hilton, Jones, Jordan, Kahn, Memory, Pless, Tapp, Trevathan.

Scabbard and Blade is a national military honor society for both the Air Force and Army Reserve Officers Training Corps at North Carolina State College. Membership is composed of first and second year advanced military students, who are pursuing their course of study at this institution.

The purpose of this organization is to encouroge and promote a better understanding between the military and the public ond to create a greater interest in the advanced ROTC students in their college, community and country. Scabbard and Blade also co-sponsors the Annual Military Ball, one of the high lights of the social calendar in military.

This, the Fifty-second Edition of the AGROMECK, represents a year's activity in studies, athletics, extra-curricular activities, and social living of the students at North Carolina State College.

To the staff, the AGROMECK represents a year of hard work and persistence. Nevertheless, it is only through the combined efforts and cooperation of both the staff and the students that we are able to present this annual. We sincerely hope that you enjoy it now and in the future, as you the student made it possible.

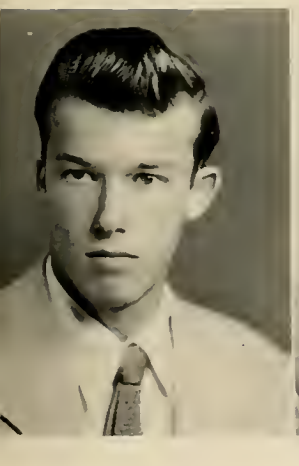
A consistent award winner for excellence among North Carolina collegiate publications, THE TECHNICIAN has for thirty-four years been published weekly by the students of the college. As the only financially self-sustained publication with a minimum contribution from student fees, it offers unlimited opportunities in training and experience for creative writing, reporting and salesmanship. Salaried positions are available to those who qualify for them, the editor and business manager having been elected during Spring term in campus-wide elections.



Gerald Hurst
Business Manager

The SOUTHERN ENGINEER, sponsored by the Engineer's Council, is published by the students of the School of Engineering and appears six times a year. The magazine has the dual purpose of disseminating information and affording students an opportunity to develop writing techniques. It also helps inform the engineering public of the South of the standards, opportunities, and progress of the School of Engineering.

The Agriculturist is the official organ of the School of Agriculture and the "Ag" Club. It is published six times a year. This Magazine, by printing articles on soil, livestock, and other items that are valuable to agriculturalists, promotes closer co-operation between students, faculty, and alumni. The Agriculturist serves as an important mode of publicity both within this state and others.

Harold Andersen

The Pinetum is the annual publication of The Forestry Club For the past 22 years it has been the major outlet for the activities of the students in the Forestry School. The book is an attractive reminder of good times together, as it contains pictures of graduating seniors, camp events and trips. The alumni maintain a knowledge of the whereabouts of each other through the alumni section of the book.

The purposes of the College Union of North Carolina State College are to enrich the student's life through teaching him social and recreational skills, to expose the student to good standards of art and behavior, to encourage him to have pride in his dormitory, fraternity and school, and to bring the student and faculty into a closer relationship outside the classroom. The Union also tries to give the student an opportunity to try to satisfy the need for recognition, acceptance, new experience, and self expression. This group endeavors to teach the student the elements of organizing community events, which lead to the making of good citizens. Finally, the whole Union program attempts to develop and encourage interesting programs to make the student feel "at home away from home."

engineers' council

The Engineers' Council is composed of elected representatives of the various engineering societies on the campus. The primary function of this group is to coordinate the activities of the engineering societies represented. Each year the Engineers' Council sponsors the Engineers' Exposition. It is also responsible for directing the publication of the Southern Engineer. Another outstanding event sponsored by the Council is the knighting of outstanding engineering students into the Order of St. Patrick. The outstanding senior engineering student is recognized and given a gift by the Council. Scholarship is encouraged at the freshman level by selecting the two outstanding freshmen from each department as Companions of St. Patrick.

The purpose of Phi Eta Sigma as conceived in the mind of Thomas A. Clark of the University of Illinois, its founder, was to encourage high scholarship at the beginning of a student's college career. His belief in the value of such an organization has been fully justified in the years since its founding. Throughout the colleges of the United States Membership in Phi Eta Sigma is the highest honor in scholarship that a freshman may obtain.

The objectives of the American Institute of Industrial Engineering are to unite the students within the Industrial Engineering Department into a closer social fellowship, to bring them into closer association with the profession, and to aquaint them with a fair knowledge of related subjects. Bi-monthly programs are designed to bring the members in contact with some of the current problems of the field. These programs and their solutions are discussed jointly by the members and the invited representatives of the business world.

The student chapter of the American Society of Civil Engineers seeks to increase interest in engineering, to foster a true professional knowledge and spirit among students, and to co-operate with the professional and academic Civil Engineering world. Meetings are held once a month and include addresses by professional engineers, films on engineering projects and construction, student papers presented before the chapter, social affairs, and business meetings. The chapter publishes its own monthly paper, "On The Level." Enrollment in the Civil Engineering Department is a requirement for membership.

The Interdormitory Council is composed of the President and Vice-President of each dormitory club on the campus. The purpose of the council is to promote a co-operative and progressive attitude in the minds of the students, to consider and work for the benefit of the dormitory occupant, and to better his life socially, physically, and morally.

During its existence the council and the dormitory clubs have done much to better our school spirit, our intramural program, and to give the students in the dormitories a schedule of social activities never known before on this campus. The future success of this organization depends primarily upon the continued work and co-operation of all the students in the dormitories.

Delta Kappa Phi is the oldest professional textile fraternity in America, having been founded in 1899 at the Philadelphia Textile Institute. Started by a nucleus of seventeen members, Kappa Chapter was instituted on May 14, 1948, at State College. The fraternity holds an annual convention each year. The chapter here at State College strives to promote activities of interest to the Textile School.

The Society for the Advancement of Management is both an honorary and professional society. Membership is open to all students interested in management and registered in one of the major fields of Administration, Agriculture, Distribution, Finance, Human Relations, Production, or Textiles. The Society is the recognized national professional organization of management in industry, commerce, government, and education. The aim of the organization is to propagate the benefits of scientific management through aid to executives on all phases of management problems by the application of engineering methods.

The "Ag Club" is an organization whose membership includes all in the School of Agriculture and the Department of Agricultural Education in the School of Education. The Club sponsors educational and recreative events such as the Student's Ag Fair (held in conjunction with the N. C. State Fair), the Barnwarming, the Student's Livestock Day, the "Ag" Club picnic, hayrides and smokers. At the weekly meetings members enjoy informative talks, illustrated lectures, educational movies, and stunt programs. The "Ag" Club publishes it own technical publication, The N. C. State Agriculturist, one of the finest student publications anywhere. Since its organization around 1917, the club has been student governed with faculty members acting only in an advisory capacity. The student members plan and execute all of its activities.

This year marks the 50th anniversary of the North Carolina chapter of the Fraternity of Alpha Zeta. Its aims are perhaps best expressed in the words of its founders: "Alpha Zeta was established neither as an honorary nor as a social fraternity, but as a professional fraternity whose membership shall be combined of the qualities of high scholarship, fine fellowship, and sound character." These are the principles which Alpha Zeta tries to live up to on the campus.

Keramos was established to provide a professional fraternity open to outstanding students in the schools, departments, and divisions of Ceramics and Ceramic Engineering in Universities and Colleges in the United States and Canada. The principal object of the fraternity is to promote and emphasize mental achievement and to promote interest in ceramic art, technology, and engineering.

keramos

It is the purpose of the Student Government to handle all matters of student conduct, honor, and general student interest; and to promote in campus life self-control, personal responsibility, and loyalty to the college and to the student body. Every duly registered student of North Carolina State College automatically becomes a member of the Student Government and is subject to the jurisdiction of its legislative branches.

The Student Government is valuable to the students in that it develops a sense of responsibility in the student and trains him along the lines which are conducive to good citizenship.

I.F.C. President

The N. C. State College Interfraternity Council is an organization made up of two representatives from each fraternity to further the ideals of the fraternity system as well as to further the goals of the entire school.

This year the I.F.C. has been as active, if not more active, in campus affairs than ever before. As a result of its decisions and recommendations on various matters throughout the year, the I.F.C. has gained much more confidence from the Faculty Council as well as the Campus Government itself. Besides the usual I.F.C. sponsored events each year, the I.F.C. this year has worked in close harmony with other compus organizations to bring about a better school for everyone. It is hoped that the progress made thus far can be continued in the future in order to make N. C. State College one of the finest engineering schools in the country.

Sigma Nu was founded from the Legion of Honor, a secret society organized in 1868 at the Virginia Military Institute. The founders were moved by idealistic hopes, and they founded a society which would inculcate honor and mutually benefit its members. Since its founding the fraternity has prospered, and at the present time there are 119 active chapters throughout the country. It is the oldest fraternity at State College, Beta Tau Chapter having been installed here in 1895. The purpose of its founders was "to establish through the warm friendship of a group of congenial college men, on the foundation stone of honor, ideals of intellectual achievement, character, and social development, all to the end of becoming better men and better citizens."

Kappa Alpha was founded at Washington and Lee University in 1865 to perpetuate the Southern ideal of gentlemanly character typified by Robert E. Lee, it spiritual founder. The fraternity is patterned on an order of knighthood, and the members are expected to conform to the discipline of the order and cultivate the graces of Southern gentlemen. Kappa Alpha restricts its field to colleges and universities south of the Mason-Dixon Line. At present there are 76 chapters within the order. Alpha Omega chapter was chartered at North Carolina State College in 1903, and is the second oldest fraternity on the campus. The ROSE AND MAGNOLIA has been published periodically since 1941.

Pi Kappa Phi was founded at the College of Charleston in South Carolina on December 10, 1904. It was a result of the friendship of seven men who had enjoyed one another's companionship all through their school careers in this historic old city of the South. It became a national fraternity in 1907 as its influence spread from coast to coast.

The purpose of the fraternity is "to promote fellowship and mutual trust among its members, to uphold the ideals and traditions of the college where its chapters are active, to encourage excellence in scholarship, and to inculcate in its members the highest ideals of Christian manhood and fellowship." The Annual Interfraternity Sing here at N. C. State is sponsored by Pi Kappa Phi to promote cultural interest among the fraternities on campus.

Farm House is a national, non-Greek letter, social fraternity. It had its beginning at the University of Missouri in 1905. The organization has grown slowly but continually, mainly because one of the aims of Farm House is to prevent sporadic growth. The objectives of Farm House are to effect bonds of brotherhood among its members, to establish a home for worthy agricultural students while in college, and to promote the moral, social, and intellectual welfare of its members. With these objectives in mind, the motto "Builders of men" was adopted. Membership is open to anyone pursuing a curriculum in which a bachelor's degree is awarded in the field of agriculture or any closely related science. A Farm House club was organized here during the spring term of 1952. Since that time it has gained prestige through demonstrated ability in scholarship, leadership, intramurals, and joint fraternity functions

The Delta Sigma Phi Fraternity is of international scope and activity. It was founded on the 10th day of December, 1899, at the college of the city of New York. Rho Chapter at North Carolina State College is an outgrowth of a local fraternity Gamma Alpha Nu Gamma, Known as the "Gang." Rho was installed on May 20, 1915. Delta Sigma Phi, like all social college fraternities, purposes to give its college members that intimate, beneficial fellowship with good men so necessary for full development, and to supplement their cultural and professional education with training in those qualifications for citizenship and leadership which are not definitely a part of the university function.

Roy B. Clogston
Director of Athletics

Harry Stewart
Field Secretary of the Walfpack Club

athletic administration

Ed Storey

Paul Derr

Roy B. Clogston came to State College after a twenty-year tenure as Athletic Director at St. Lawrence University in Canton, New York. His formal education includes a degree from New York University.

His first official post was at Middlebury College in Massachusetts as assistant director of athletics, after which he returned to Springfield and completed work on a B.S. degree. The following year he attended New York University and received a master's degree. At the present time he has nearly completed work for a doctor's degree.

Clogston lends a very personal and conscientious interest to the school's athletic program. He is constantly endeavoring to improve the facilities in all of the sports and has been instrumental in expanding the program in general.

The State College Athletic Director is rapidly becoming one of the top men in the Southern Conference, thus expanding the reputation he has enjoyed for many years. Roy B. Clogston is truly one of the outstanding college athletic directors of the nation.

Other members of the athletic administration are Willis Casey who serves in the capacity of Assistant Athletic Director as well as Swimming Coach. Ed Storey is Athletic Publicity Director and is one of the better known men in this field in the South because of his excellent work in bringing the sports picture at State College before the eye of the national public as well as the local fans. Paul Derr is the man responsible for the vastly improved Department of Physical Education, serving as Head of that Department.

A TARHEEL STOPPED AFTER A SHORT GAIN

Carolina 29—State 7

On the opening day of the football season, the Wolfpack journeyed to Kenan Stadium in Chapel Hill to play our arch rival, U. N. C. The game proved to be the exciting affair that it always is.

State got off to a fine start, driving deep into Carolina territory before losing the ball on downs. The Tarheels proceeded to march seventy-five yards for a score. They scored once more after recovering a State fumble in the shadows of the goal posts, and they picked up a safety to make the score 16-0 at the half.

The pack finally crossed the goal line in the third period, and their hopes of catching the foe were high that moment; but with two scores by the Hill men in the last quarter, the hopes ended along with the final gun . . . a 29-7 defeat.

George Washington 20—State 7

In Alexandria, Virginia, the Pack played a fine game but had the misfortune of not getting the breaks needed to win the contest. Statistically speaking, State held a wide edge in this battle. The first half was as close as it could be, ending with neither team scoring.

The Colonials drew first blood when they scored on an intercepted pass thrown deep in State territory. Just two minutes later they scored again with a 50 yard pass play. Since it was getting to be a habit, G. W. got their third tally on a 38 yard pass. This gave them a comfortable margin of twenty points in the fourth period.

State finally hit paydirt, and they also used the airlanes to set up the score. But the damage had already been done, and the game closed with the 'Pack on the short end of a 20-7 score.

State 27—Davidson 7

Before the home crowd for the first time this year, the boys made everyone happy by winning their first game of the season. The 'Pack definitely had a fine night and whipped the Davidson Wildcats, 27-7.

The fans got a scare as Davidson scored on a 46 yard drive after six minutes of playing time had elapsed. The boys from State then started to play ball, and they scored twice on marches of 72 and 54 yards to lead at the half, 14-7.

The game was settled in the second half as the Red and White scored twice. The first marker of this half came when State marched 72 yards as five of six passes were completed in the sustained drive. The final tally came on an intercepted pass, and the game ended with a victory for the Wolfpack.

Wake Forest 20—State 7

The visiting "Demon Deacons" of Wake Forest took full advantage of State's mistakes on this night at Riddick Stadium to gain a victory. Penalties also upset the Wolfpack offense just when it seemed to develop scoring opportunities. The victory gave the Deacons their third Wake County championship in three years.

A poor punt set up the visitors' first score after four minutes had gone by in the opening period. Wake Forest scored again early in the second quarter when they recovered a fumble and drove 26 yards for the score—a 23 yard pass giving them the tally.

State drove 64 yards for a score, using only one pass during the sustained march. Right after this score, the Deacons marched back to make the final score 20-7.

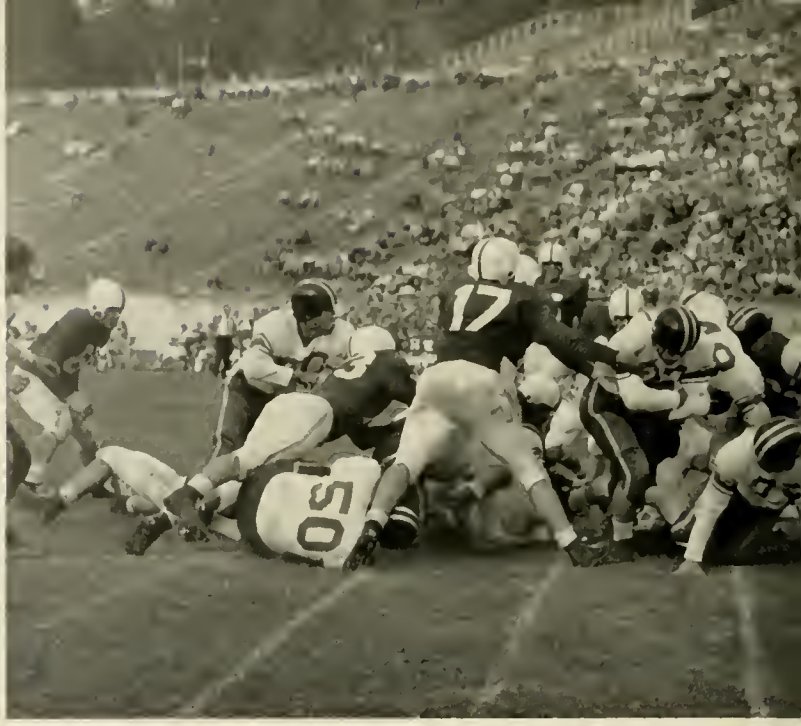
Duke 31—State 0

This was just not the day for State as Duke rolled up a 31-0 score. The Blue Devils scored in every quarter, but their claim to fame on this day was a tremendous defense. The Wolfpack only got a net of 11 yards rushing in the first half, and eight passes were incomplete with one being intercepted. There isn't much a team can do against a foe with such a formidable line of protection employing three potential all-Americans in Meadows, Burrows, and Pitt.

From the start, fans at the outdoor stadium saw that the visiting 'Pack was no match for the hosts. Duke led at the intermission 18-0, and they carried right on after their short rest using three quarterbacks to run the show.

The game was a rough and tumble affair, and the injuries to many State players didn't lighten the burden by any means.



Action in the Duke game

Short gain against W. & M

William & Mary 7—State 6

Before a Homecoming crowd in Riddick Stadium, State battled William and Mary in an exciting contest. The margin of victory came on an extra point boot by Hines of the visiting Indians. Although, the 'Pack was outgained, the boys made repeated stabs at the goal line and didn't play like 14 point underdogs.

After a scoreless first half, the visitors marched 70 yards at the start of the third period for their lone tally. They started another drive but fumbled deep in State territory. From this point the Wolfpack went 93 yards for their score with the game tying point after touchdown attempt being blocked. A 53 yard poss play highlighted the drive. The evenly fought battle ended with the Indians victorious by a 7-6 count.

B. Kapp

Army 27—State 7

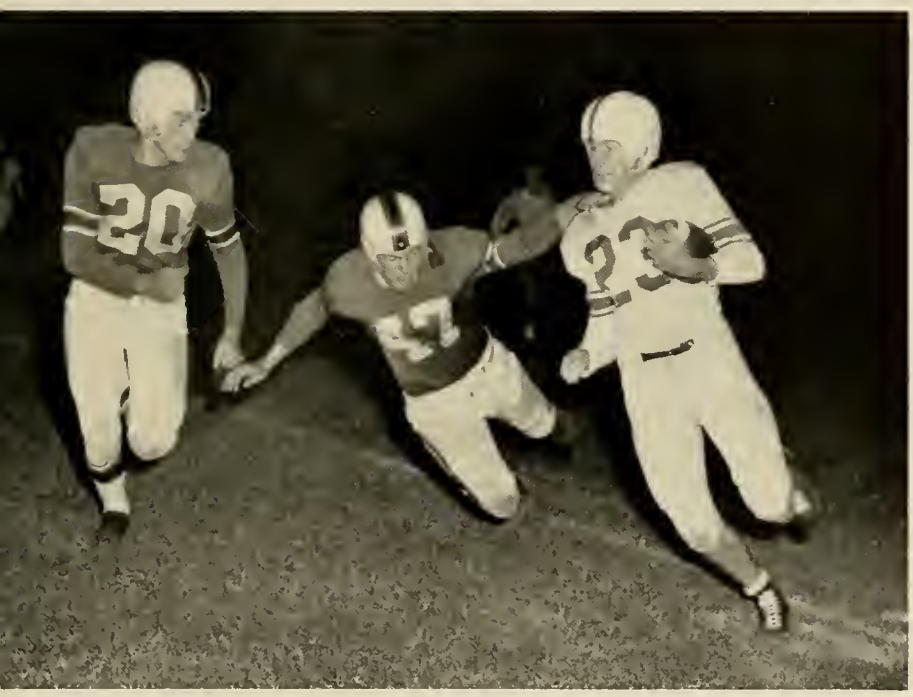
People at West Point saw a courageous State team play highly favored Army. For three periods the boys from Raleigh held their own, but they were finally overthrown by the superior manpower of their opponents—the Block Knights of the Hudson.

The Cadets were stopped four times by terrific goal line stands inside the 10 yard line, but some key State players leaving the game due to injuries helped Army get started on their way.

The score at the half was 13-7. The Wolfpack scored on a spectacular punt return of 68 yards by West, playing one of his finest games. The run had tied the score after the Cadets scored earlier on a 60 yard pass.

The two teams battled back and forth until Army scored twice in the fourth quarter. A strong bench was a definite factor in this victory. Even though the final score was 27-7, State played one of its finer games.

The 'Pack Rolls



Big red sweeping around end

Pitt 40—State 6

On this day the 'Pack journeyed to "Steel Town" to play the Pitt Panthers. The season's end was nearing and injuries were taking their toll on the State ball club. The hosts piled up a 21-0 lead at the half on a blocked kick, fumble, and a 59 yard drive. The depth of the Panthers was just too much to overcome, and they seemed to move the ball at will. When eleven new men were put on the field, they immediately took charge of the game and drove for the scores.

Pitt's fifth touchdown was the highlight of the contest, set up by an 87 yard return of a punt that traveled 45 yards. State finally hit pay-dirt when the boys marched 64 yards against the strong Pitt substitutes. It was just too much for the Wolfpack to handle, and they dropped a 40-6 decision.

West Virginia 61—State 0

The gridiron warriors from State College were definitely victims of circumstance in this contest. The visitors, West Virginia's Mountaineers, felt that they deserved a bowl bid even though they were upset and toppled from the unbeaten ranks the week before. The boys from the hills were determined to look impressive and atone for last week. They poured it on the 'Pack unmercifully. State was completely outweighed and outplayed all over the field. Incidentally, West Virginia got their bowl bid.

The Mountaineers marched 81 yards after taking the kickoff for their only score of the period. After the change of goals, however, they scored 27 points and led at halftime 34-0.

In the second half, they scored 14 and 13 in the third and fourth periods to give them a 61-0 win.

Florida State 23—State 13

The 'Pack traveled to the land of sunshine for the last game of a dismal season. The game was a rough battle with many fumbles contributing to the Florida State victory. All of the Seminoles' touchdowns and one safety came after fumbles. The Red and White also scored due to a fumble and a pass interception.

The hosts got off to a 16 point lead early in the second period and stayed out in front all the way. State started to close the gap when an enemy pass was intercepted to set up a score. The count at the half was 16-7.

In the third period, FSU got touchdown No. 3, and with seconds left in the period, State got another marker. The final tally came on a short pass that made the final score, 23-13.

basketball

On the first day of December, the 1953-54 version of State's cage team took on the highly respected Furman crew. Leading the opponents was everybody's All-American, Frank Selvy

Even though Selvy scored 31 points, the game wasn't much of a contest because of the superior bench strength of the Wolfpack.

On the State side of things, the two prize graduates from last year's freshman team proved themselves to be varsity ball players. Shavlik scored 23 points and Molodet hit for 13 points. Davey Gotkin, however, was high scorer for the 'Pack with 24 markers. The final score was 100-74.

The third game of the season found State going to Wake Forest for an important conference engagement The Deacon jinx still prevailed, and the home team's tiny gym led to a defeat. The 'Pack went down by a score of 81-69.

Not discouraged by their first conference loss, the Big Red came right back and whipped the Phillips Oilers in a double overtime 67-65. It was the Oilers' first defeat at the hands of a college team in four years.

High scorer of the game was Vic Molodet who hit 15 points. This game was his outstanding effort of the season, and the young sophomore drew quite a few praising remarks from the opponent's coach.

The win was a big one for Wolfpack prestige since the Oilers are constantly fighting for the A.A.U. championship with several former All-Americans on their roster.

The next game, with Captain Mel Thompson leading the scoring with 18 points, the Statemen handed the visitors from Eastern Kentucky an 83-60 setback. The boys from the "Blue Grass" state couldn't cope with State's tight zone defense.

E. Kentucky scores, but State romps

The highly rated and much publicized "Bevo" Francis came to Raleigh with his Rio Grande team for a try at a "big time" team, but State was too much for them.

Mel Thompson and Vic Molodet led the 'Pack with 28 and 19 points respectively. "Bevo" hit for 34 points, and his shooting percentage was a fine 42.3% in a losing cause. State won 92-77.

Another topflight A.A.U. team was defeated by the Casemen, the Peoria Caterpillars—Olympic representatives in 1952. This game proved once again that the 'Pack could handle the toughest assignments.

High scorers in the game were Molodet for State and Bontemps for the Caterpillars with 18 points each. The Wolfpack fought from behind in the last half to get the 63-60 win.

Sophomore flash, Vic Molodet led the 'Pack to a 71-60 win over Pennsylvania He had a tremendous night in which he made 10 out of 14 shots for the field and 8 out of 9 attempts from the free throw line—a total of 28 points Helping him under the boards was another soph, Ron Shavlik, who grabbed 20 rebounds

State opened its defense of the Dixie Classic title against the 1953 N I T champs, Seton Hall. In a close and hard fought battle, the State team emerged victorious by a 72-70 score. Molodet and Brooks of Seton Hall were the high scorers with 19 points each.

On the following day Navy pulled the upset of the tournament in handing the Wolfpack an 85-75 defeat—their first defeat in the history of the Christmas tourney.

Mel Thompson tried in vain to keep the 'Pack's hopes alive with a 23 point effort, but the high scoring duo of Clune and Lange proved to be too much on this night. They scored 27 and 22 points respectively for the victorious Navel Academy.

Wake Forest still had the jinx on State when they handed the Big Red an 86-79 loss in the third-place game, despite the 24 and 20 point performances of Thompson and Shavlik.

Dave Gotkin

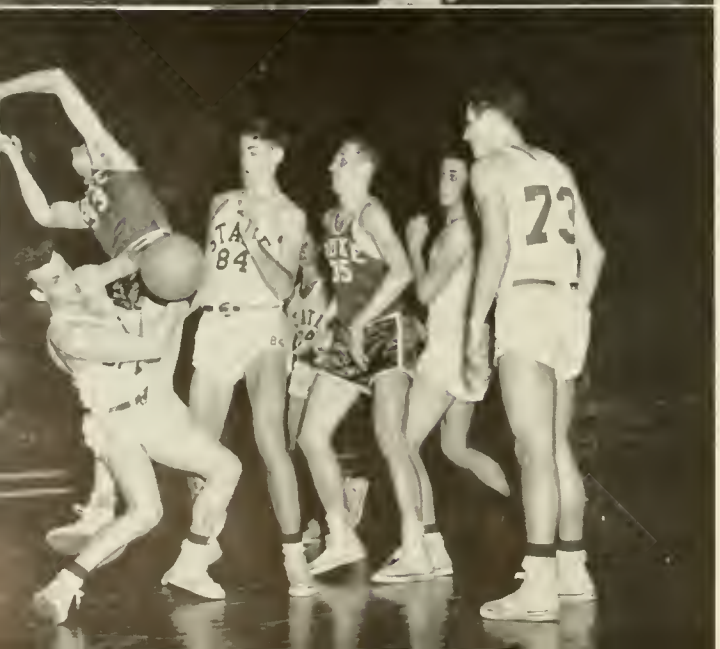
Scheffel steals against Duke



The Statemen started the year off right by whipping Villanova at Philadelphia 69-65

Virginia Tech was the next victim of the Wolfpack onslaught as the Big Red handed them a 91-62 beating. The 'Pack was never headed, and Coach Case used twelve men in registering the victory.

The 'Pack journeyed to Durham for an important conference battle with the Duke "Blue Devils", new Dixie Classic champs. In a story-book finish, Duke overcame a huge State lead to win in the game's closing moments by an 87-85 score.

In another conference skirmish, the 'Pack took care of South Carolina in a surprisingly close manner But the final score counts, and State came out ahead 68-62.

Much to the delight of the Wolfpack followers was the next win over Wake Forest. State finally broke the jinx that had been extended to three games. Captain Mel Thompson led the parade with 29 points, and he held the visitors star, Dickie Hemric, to 13 points. Sweet revenge was echoed in the final score of 91-76.

The 'Pack's next win was at the expense of arch-rival U N.C. The game proved to be a rough and tumble affair with the visiting Statemen coming out on the long end of an 84-77 score.

Captain Thompson on defense
Last second loss to Duke

La Salle College of Philadelphia was the Wolfpack's next foe. This intersectional clash brought two of the top teams along the East Coast together at Raleigh.

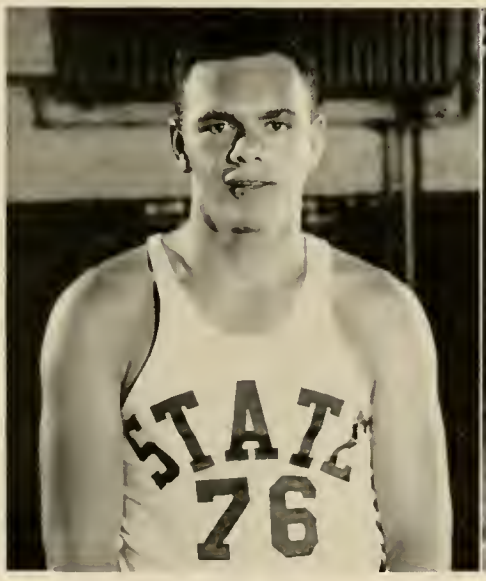
The game was close all the way with the leader never holding a comfortable margin. Finally the 'pack lost this heartbreaker to the visitors, the subsequent N.C.A.A. champions, by an 83-78 score.

All-American Tom Gola lived up to all his press notices, and his all around ability and 24 point performance was the difference in the game.

Vic Molodet played brilliantly in a losing cause and wound up as the game's high scorer with 26 points to his credit.

In another intersectional battle, State played host to the ever-powerful St. Johns of Brooklyn. The 'Pack used the powerful pressing attack, and easily handed the "Redmen" an 84-61 setback.

Vic Molodet and Mel Thompson led the 'Pack scoring with 21 and 19 points respectively. Throughout the game the Statemen continually capitalized on the mistakes of the visitors.



Bobby Adams

Doug Kincaid

Jim Stevenson

The next important game was a return match with Villanova in Raleigh. Away from their home floor, the visitors were no match for the Wolfpack. The final score was 82-70. Once again the 'Pack was led by Molodet and Thompson. They scored a combined total of 43 with Mel getting 23 of them.

Bino blocks? A shot?

Lou Dickman

Dave Kelley

Cliff Dwyer

He flies through the air again—

Duke came to Raleigh for a game that was of the utmost importance to both participants. In a thrill-packed bottle, the visitors won out again in a story-book fashion—a lost second basket by a reserve. The final score was 90-89. It was a tough one to lose, but revenge was to come later.

The 'Pack bounced right back to beat William and Mary 65-48. Ronnie Shavlik led the victors with a 16 point performance.

Hot Potato

Lou was fouled

Herbie uses elbow

The last two games before the Atlantic Coast Conference Tournament were vital ones. The 'Pack was pitted against Carolina and George Washington.

The 'Pack finally won out over a stubborn Carolina team by a 57-48 score. The Big Red held onto the ball throughout the majority of the fourth quarter. The game's high scorer was State's Herb Appelbaum with 17 points.

George Washington came to Raleigh rated as one of the top ten teams in the country, but this fact didn't seem to bother the hosts. The Wolfpack walked away with an 81-63 win due to the tremendous pressing attack. Shavlik and Thompson played forty minutes of terrific basketball and led the scoring with 22 and 21 points.

This was the last game before the tournament to decide the conference champion, and the 'Pack offense was in high gear.

Charleston, Charleston!
Tyler in 3D

Take one giant step

State 81—G.W. 63

State's first game in the Atlantic Coast Conference Tournament was against Carolina. The Tarheels, as usual, gave the Wolfpack a tremendous battle before going down to defeat. Ronnie Shavlik played brilliantly; he scored 21 points and grabbed 17 rebounds. The final score was 52-51.

The semi-finals found State facing Duke once more. The outcome was the win that counted the most. Once again Ronnie Shavlik played on outstanding game scoring 22 points and grabbing 18 rebounds. The game was sweet revenge for two previous losses to the Blue Devils during the regular season.

In the championship game State faced their third "Big-Four" team in three days, Wake Forest. The Deacons came from behind with an amazing finish to tie the game at the end of the regular playing time, thus forcing an overtime period—their third in three games. The Wolfpack were a determined team, and won in the overtime 82-80. We thus became the first Atlantic Coast Conference Basketball Champions.

The Wolfpack ventured to Duke indoor Stadium that Tuesday and defeated George Washington, the Southern Conference Champions, in the N.C.A.A. play-off game to decide the Southern representative to the Eastern N.C.A.A. Regionals playoffs in Philadelphia. The 'Pack lost a heartbreaker to La Salle, who went on to become the N.C.A.A. Champions. The next night we whipped Cornell to give us third place in the Eastern District of the N.C.A.A.

baseball

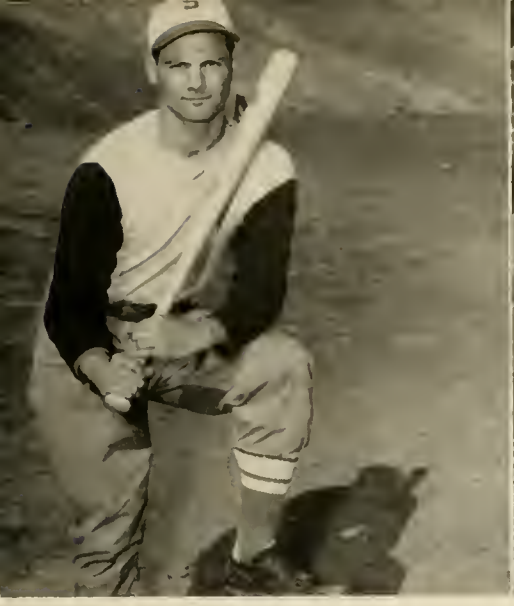
With the close of the 1953 season, the Wolfpack's record wasn't too impressive. Much more was expected of a team that finished out of the top four positions in the conference. The reason was a disappointing one to 'Pack supporters.

Of course there were many contributing factors to the dismal reason Much of the team's success depended on the three returning veterans who didn't come through. As it turned out, they all had a bad year when compared to the previous season. Eddie Morris, the big first baseman, couldn't get his long ball going until the tail end of the season. His big bat was sorely missed. Big things were expected of John Fuscoe, All-Southern the year before, but the center fielder had a bad year. The same goes for pitcher Ed Horbelt, whose arm was needed badly.

On the squad, a few freshmen saw regular service. The boys were rusty and their inexperience showed in the clutch over the long grind.

The season also had a few bright spots. Freshman Jack Yvars pitched a one-hitter against Duke, the conference champion and N.C.A.A. representative. In the ball game he also hit a home run to help the 5-0 win

1953 BASEBALL SQUAD



John Fuscoe

Dick McGillis

Ed Horbelt

along His brother, Johnny, was an All-Southern Conference choice at shortstop, and Johnny led the Big Four batsmen with thumping .468 average.

Also starring for the 'Pack was Carl Wyles, who alternated between the outfield and catcher. Working hard all season, he finished up with a well deserved .360 batting average.

Against our Big Four opponents, Duke, Carolina and Wake Forest, we had four victories and six defeats. As usual the competition was at its best, and the pressure was just too great for the inexperienced players on the squad.

On the closing day of the season, we lost a 7-6 heartbreaker to the Carolina Tarheels The ball game lasted eleven innings, and showed all that the Wolfpack was always fighting for a victory.

Everything being considered and with a few breaks on our side, the ball club might have gone to the top. The Statemen were in contention until the latter part of the season when a depressing slump took its toll.

The outlook for the 1954 baseball season is fairly bright. On last year's squad many freshmen were called upon for regular service during the rough campaign. With a year of experience under their belts, the boys should turn in some fine performances in the clutch.

With the exception of first base, the whole infield will be returning for the coming season After playing together for a whole year, these men should help the team considerably Whitley back on third, John Yvars at shortstop, and Turney back at second completes the returning infield trio. At the present time Coach Sorrell is trying to fill the first base position Jim Stevenson is the leading candidate for the job.

In the outfield, Sonney Santoli will be back at his left field post, and Carl Wyles, the right fielder, returns for another year. Wyles alternated between the outfield and catcher last year, but this year he will be used in the latter position. In trying for some of the vacant positions, newcomers Norris and Speed have looked good in practice.

This could be a big year if the sophomore pitchers came through. Big things are exected of Hargrove, Hardison, and Jack Yvars. Since pitching is such an important factor to a team's success, the fate of the ball club might very well be in the hands of these three men.

cross country

State College can be proud of its fine cross country team. This group has the distinction of being the first team champion of the newly formed Atlantic Coast Conference.

Among the Wolfpack Harriers, winners of every meet, are such stars as Buzz Sawyer and Joe Shockley Both of these boys were undefeated in regular season competition

Sawyer, the greatest distance runner in the history of the school, ended up seventh in the nation at the NCAA meet. Buzz also holds the school record for the four mile run, being clocked at 20:16 minutes. This record will stand for many years to come. Speaking of honors, Shockley is the Carolinas' AAU champ.

Ruppenthal, winner of 440 and 1,500 yard titles in the A.C.C.

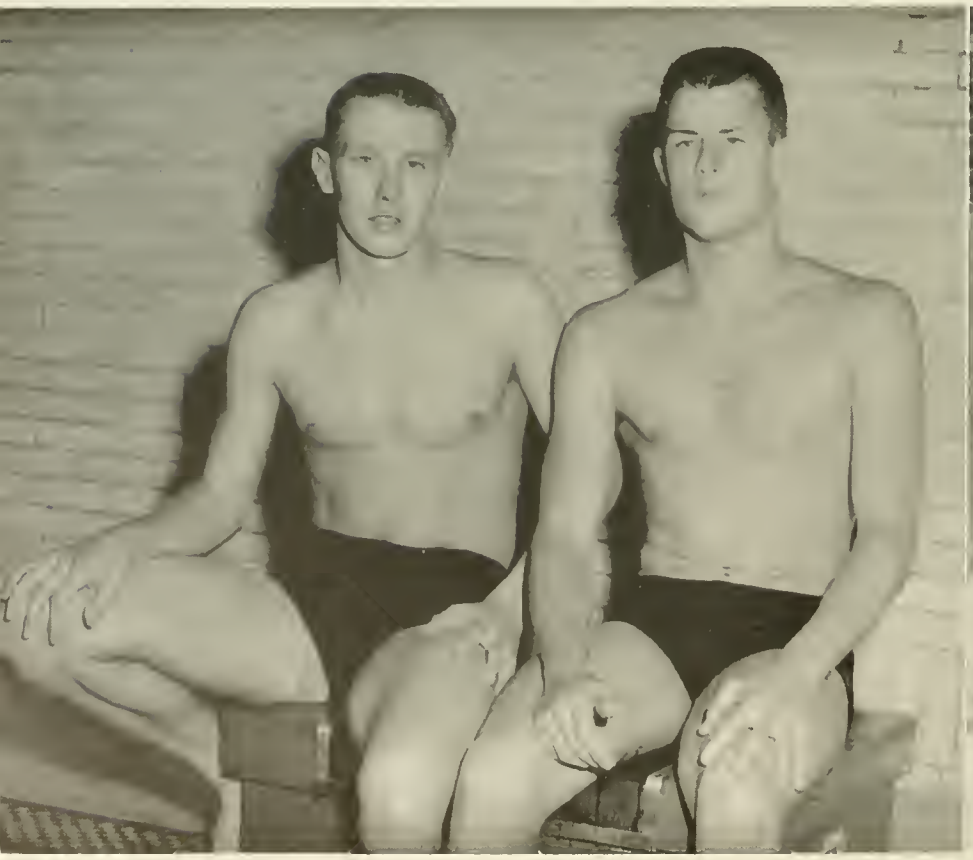
The Wolfpack mermen captured the Championship of the newly formed Atlantic Coast Conference to climax an undefeated season.

Coach Casey's boys took eleven of twelve individual titles in the meet to win this going away. This win ended the domination of this sport in the area by the Carolina Tarheels.

During the regular season there were many special things that State College rooters won't forget for quite a time. The swimmers from North Carolina U. tasted their first defeat in 45 consecutive dual meets at the hands of the 'Pack. To prove it was no fluke, State thrashed them once again in Frank Thompson Gym.

Down in Atlanta, Georgia, the Statemen tied for first place in the Southern Invitational Meet with the University of Florida. We took home the trophy on the flip of a coin.

James & Ruppenthal



Sonia

Dunlap

Arata

Lynes

Mattson

The team was led by many individual stars. Bobby Mattson, the sensational All-American, broke the National Intercollegiate record for the 150 yard individual medley. Besides capturing the latter title in the conference, he also holds the 220 yard freestyle crown. Fred Ruppenthal, brilliant sophomore, was one of the top long distance free style men in the South. Helping to keep the team's record intact throughout the season were: Tommy Dunlap, conference backstroke Champ and ranked 9th in the country; Paul Arata, breaststroke king; Wilson James, medley relay; Don Sonia and Craig Lynes. State College has every right to be proud of its Championship team . . . .

tennis

As this year's Agromeck goes to press, the 1954 tennis team seems to be getting off to a slow start as it hos already gone down to defeat at the hands of Michigan State, Dartmouth, and Hampden-Sydney. The success for the remainder of the season depends largely upon how quickly four or five sophomores become seasoned to match play

Last year's team, which finished with a 9-8 record and won its last seven in a row, had five lettermen graduating including the number 1, 2, and 3, positions on the team

Veterons Howie Greenberg and Peter Gough head the 1954 squad which Cooch Kenfield feels is potentially as good as last year's team and may again finish strongly if good, but inexperienced players such as Bill Cashion, Gene Cross, Carl Coppersmith, Harry Reichard, Ted Funderburk, Henry McCoy, Tom Franz, and Don Brinkley can find themselves under the pressure of match play. Last year's open ng matches against strong northern teams were equally disastrous but the team gained confidence and momentum as the season progressed. Coach Kenfield is hoping for a little repetition.

Don Tomlin

Nardone on the Mat

wrestling

The Wolfpack grapplers were a pleasant surprise to loyal fans this year. The boys that never make the front page as far as news is concerned really proved that determination and hard work pays off. They won the state championship as well as the Big Four crown.

Although the team's record from a won-and-lost viewpoint wasn't too impressive, the boys won the matches that counted the most. We beat Carolina, Duke, Davidson, and Virginia Tech. The losses came at the hands af such worthy opponents as Virginia Military, Maryland, Virginia, and The Citadel.

The team was led by Captain Don Taylor, and Don Tomlin, Captain of next year's squad. Taylor, an A minus student, was undefeated and won the conference championship in the 157 pound class. Coach Crawford calls him the best he has ever coached; he just started to wrestle in college, and he pinned boys who had been in competition for eight years.

Tomlin was the 147 pound champ of the conference, and Joe Nicks was second in his class, being defeated only once.

Next year's team should again be a threat when boys like Cherry, Henry, and Towensend will move up to the varsity from the Freshman Team.

soccer

The colorful mixture of players from several continents turned a mediocre season into one with many thrills for the talented Wolfpack booters.

Coach Eric DeGroat proved once again that the calibre of soccer here at State College is nothing to be ashamed of.

Looking at the final record of the team, one observes that the 3-6-1 mark doesn't look too impressive. The 'Pack gave a fine showing in every game, and many of these losses came against highly rated service teams. The season can be called a success since the boys shut-out and tied Carolina in two meetings.

Individual players receiving honors were: Castro, Truslow, and Aquerreurreta—all named to the conference honor roll. Bernie Fishman, the yearling goalie who kept Carolina scoreless in his first varsity assignment, won honorable mention.

golf

The outlook for the Wolfpack golfers seems fairly bright. Coach Clogston gets his team together every year and does remarkably well considering the boys can only practice on week-ends.

This year's squad might very well better their fourth place standing in the conference last year; the important factor is experience, since several of the boys played on last year's team. Number one player for the linksters is Peanut Jones. In the estimation of his coach, he could play at any school. Tommy Crockett is the Captain, and a fine golfer in his own right. Mel Deitch, a sophomore, is the best prospect for the future years. He hits a tremendous ball and should improve with every match. Bill Smith, Bud Edmondson, and Bill Edwards round out the rest of the fine squad. In the opening match this year, the 'Pack whipped Boston College 20½-6½. This win gives a warning to the foes of the future. The boys love to play, and they never give up. . . . .

Precision Paper Products

SONOCO—the world's largest manufacturer of cones, tubes and thousands of other paper textiles carriers!

Ever since 1899, when Sonoco started in a rented warehouse with three employees, progress has been its byword. Now with plants in South Carolina, Connecticut, California, Massachusetts, Pennsylvania, New Jersey, Indiana, Canada and Mexico, it is still progressive—progressive in research and product development which has met every demand of the ever-changing textile industry. For more than 50 years, Sonoco "know how" has produced products which have become standard of the world, wherever textiles are made.
